Dear John:

Thanks to AllTown Automotive for helping us celebrate our 35th Anniversary year by sponsoring a table at the 8th annual United Food Bank Friends Breakfast on April 10, 2018. Please find enclosed your sponsorship fulfillment promotional pieces with your name/logo for the event this year.

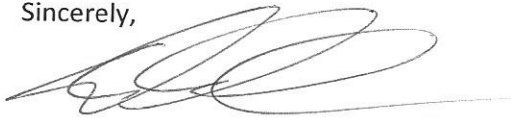

Your generous support helped us raise more than \$10,000 which will provide 50,000 meals for children, families and seniors in Arizona struggling with hunger, through our various programs.

With your help, we will continue to rise to the challenge to meet the needs of more than 220,000 people in the East Valley and Eastern Arizona struggling with hunger. Thank you for helping us fulfill the mission, working toward a vision of a hunger-free Arizona.

The fight against hunger doesn't take a break for the summer. We hope you will consider continuing your support of United Food Bank throughout the year. Whether it's through volunteerism, individual donations, cause-marketing or becoming a member of our Corporate Sponsorship Circle of Friends, we invite you to continue to become a partner in ending hunger in Arizona. To find out more about these and other opportunities, I invite you to follow us on social media, visit our website at www.unitedfoodbank.org or call us at 480-926-4897.

Thank you, again, for caring for your community and for sponsoring the 2018 United Food Bank Friends Breakfast.

Sincerely,

Dave Richins
President/CEO
